Subject: Help Support My School!

Dear [Name of Family Member / Friend],

I'm participating in our Fun Run Fundraiser at Park Road Elementary. This fundraiser helps us raise important funds for things like:

- Cultural Arts, including field trips, speakers, visiting authors, and assemblies.
- Enrichment grants to support new clubs, teacher programs, musicals, and more.
- Gifts to the school that help teachers and support kids' learning and recreation.
- Subsidized yearbooks.
- Student and community events like the Fall Festival, Ice Cream Social, International Night, and more.

The fundraiser ends on October 2, when I'll run in our school Fun Run! I care about this because [1 short reason—e.g., "our school needs supplies" or "I want every kid to go on the science trip" or "I like participating in"].

You can help here: [link], through October 2. If you prefer, my [mom/dad/guardian] can collect a check.

Thank you for cheering me on and supporting my school!

I'm participating in our Fun Run Fundraiser at Park Road Elementary. This fundraiser helps us raise important funds for our school. Last year we were able to use the funds from our fundraiser for exciting things like:

- Field trips and assemblies
- A new outdoor gaga pit
- Books for our school library
- Community events like International Night, the Ice Cream Social, and more.

At the end of our fundraiser I'll participate in our Fun Run at school. I am asking if you will help support me and my school? The fundraiser ends on October 2, when I'll run in our school Fun Run! I care about

this because [1 short reason—e.g., “I like playing gaga ball during recess” or “I want every kid to go on the science trip” or “I like participating in the bubble science action lab”].

I can email you a link to participate, or if you prefer, my [mom/dad/guardian] can collect a check. We are collecting donations through October 2.

Thank you!
